How We Guarantee Our Work

"Purchase your list of babysitters TODAY. Very convenient for finding last minute babysitters"

Teresa Hill, Customer
Houston, TX

You will purchase a list of 100 reliable and caring babysitters in the Houston area for a \$100 (Limited number of list will be sold)

We are very confident that you will find a babysitter that will meet your needs. You too will **interview** each babysitter until you find the right fit. Then once you located a babysitter then you can deduct for example \$25 a week from the babysitter pay until you receive your original \$100 back. What is even more exciting, for any reason if that babysitter is unable to work after several months of service. YOU can use the same strategy of deducting for example \$25 out the new babysitter for the first 4 weeks of service. Now not only have you received your first \$100 but you have received a second \$100. This is a great incentive but Angel's babysitter Referral Service is far most dedicated in providing reliable and caring babysitters to meet your child care needs. However, if you are **unable to locate a babysitter on the list within 30 days of purchasing the LIST; YOU WILL be refunded your \$100.00.** You must justify or explain why each babysitter doesn't meet your needs.

Feel free to contact us either through email or phone. We are more than happy to answer your questions before, during and after the purchase.
